## Summary

As a self-taught, freelance web developer and designer, I am adroit at teaching myself new languages and technologies, ensuring that I remain relevant and valuable. I've completed numerous commercial sites from initial consultation through deployment, iteration after iteration.

## Education

Ithaca College Park School of Communications, Ithaca, NY  
B. S. Television-Radio, Concentration in Video Production (2004)

## Skills

- Current rig: [GitHub](#), HTML, SASS, JavaScript (various libraries), Ruby on Rails, Heroku, Bootstrap/Foundation, various APIs and of course pencil and paper
- Adobe: Fireworks, Photoshop, Illustrator, InDesign, Lightroom, Premier

## Professional Experience

**Nov 2010 - Present** **Sahm Design**, Freelance Front-End Web Developer/Designer

- Bridge the gap between design and development, often as the lead in both
- Hand code original & edit existing HTML, CSS, JavaScript, and Ruby
- Assemble and manage teams that consistently meet deadlines and surpass client expectations

**Nov 2009- Jul 2010** **Independent Computer and Media Consultant**, Mae Sariang, Thailand

- Coordinated, installed, and networked Linux Ubuntu 10 migrations from Windows XP for refugee aid organizations
- Served as one-man team providing all IT training and support to battlefield medics
- Produced, filmed, and edited broadcast-ready fundraising videos for nonprofits

**Oct 2006 - Sept 2007** **Case Design/Remodeling, Inc.**, Help Desk Technician

- Served as sole help desk technician in 80+ person office
- Developed understanding of Microsoft Exchange, Active Directory and bug tracking

**Mar 2005 - Oct 2005** **Apple Computer, Inc.**, Mac Specialist, Genius Administrator

- Repaired hardware and software and solved network problems at the "Genius Bar"
- Taught classes to beginning and advanced Mac users

## Triumphs

- Drummer, writer, producer and founding member of rock band [Le Loup](#) (Sub Pop/Hardly Art), which released 2 albums and toured nationally and internationally for 3 years

- Mastered in-depth information about food and wine, and in just 4 months, moved from host to professional server at [BlackSalt](#) (★★★★☆), a "fine dining" restaurant.

- 6 months of training in Muay Thai Kickboxing in Thailand
- 4 years of varsity high school volleyball
